

# The Felt Store

## Sample Product Description

### Title

Extra-Large Snow Runner Mitts - Black

### Description

#### **Waterproof Winter Protection**

If you love a good mitten, The Felt Store's Snow Runner gloves are sure to keep your fingers warm all winter long. The outer layer features a nylon blend section for waterproof protection. Inside is a soft, removable polyester pile lining. The vulcanized rubber gives you a firm handle on your ski poles, even when you wipe out.

Available in black, and in an extra-large.

### Specs

**Materials:** Vulcanized rubber and nylon blend outer lining with polyester inner lining.
